“

I have been using the NeoGenesis skin care products for over two years now. The difference in my skin's tone and texture in the first six months was nothing short of a [miracle](#), but what amazes me the most is that I continue to see improvements in my fine lines and wrinkles and my skin has taken on a beautiful youthful [glow](#). These products are wonderful! I am so happy that I found NeoGenesis, I will never use anything else.” - BZ

AGING SKIN

“I was very impressed in such a short time. Can't wait to see how this skin looks in a few months.” - DG (70 years old)

SUN DAMAGED | AGING SKIN

“Being in our seventies, we have lost much of the collagen in our arms. Merrilee has bruises that form without bumping anything, and seem to never go away. We treated one arm with the NeoGenesis products (Recovery followed by Skin Serum and Intensive Moisturizer). Two weeks later, the difference is night and day. The arm treated is almost completely healed. The untreated arm looks like it did two weeks ago.” - RS

improve skin tone

“ I have attached photos of one of my clients that is 72. I didn't think we could change the skin on her arms but I was very wrong. This was over 3 months and 2 bottles of Recovery (10 mL), 1 bottle of Skin Serum (30 mL). My only problem is I am running out of clients with old wrinkly skin!” - Donna Glazer, Professional Skin Therapist

next level skin care

"I used another "stem cell" product for a couple of years prior to using NeoGenesis. All I can say is, WOW! What a difference in your products! The combination of Recovery, the Skin Serum, and Intensive Moisturizer have been fantastic in taking my skin to that next level of look and feel...much softer to touch and a youthful glow that everyone compliments me on. My mom and my friends are coming over to NeoGenesis now." - LV

ageless beauty

"I have been using the NeoGenesis Skin Serum and Intensive Moisturizer for about a month now. My skin looks and feels much healthier, smoother, and clearer than before. It has a glow and feels so smooth to the touch. I am 67 years old and the fine wrinkles seem to have disappeared. I love the feel of the product. It just disappears into my skin." - MB

indulge your skin

"Throughout my career as a model, I've tried more skincare products than I can count. NeoGenesis always delivers on its promise of more beautiful, radiant, healthy and younger-looking skin. I genuinely can't imagine being without NeoGenesis, my 'turn back the hands of time' skincare." - Catherine Roberts, Nov 2019
