NeoGenesis Cleanser is specially formulated to gently cleanse and refresh the skin morning and night without the use of sulfates or other harmful ingredients. The cleanser gently removes makeup, dirt, and excess oil without drying the skin or affecting the natural pH balance.

BENEFITS:

- Cleans gently without drying
- Calms and soothes the skin
- Non-irritating and non-inflammatory
- Reduces the appearance of uneven skin tone
- Leaves your skin feeling smooth and radiant
- Oncology approved

ENZYME CRÈME MASK

SIZES: 60mL, 200mL

NeoGenesis Enzyme Crème Mask is a gentle, creamy, fruit enzyme exfoliant that refines, brightens, and clarifies the skin. Along with natural fruit enzymes, Enzyme Crème Mask contains Niacinamide, an important skin ingredient that improves skin barrier function, reduces oil build up, and provides anti-inflammatory activity to soothe irritated skin. The skin will be firmer and more radiant with continued use.

BENEFITS:

- Provides energy and radiance to the skin
- Gently resurfaces the skin
- Minimizes surface lines and enlarged pores
- Improves the overall tone and texture of the skin
- Reduces skin sensitivity and irritation
- May be used by all skin types

GLIDE GEL

SIZES: 120mL, 946mL

NeoGenesis Glide Gel is a safe and highly effective conductive gel for use in the treatment room or at home. It allows for an easy glide for all devices that require a conductive gel and is the perfect vehicle for delivering companion ingredients when used with other products. It is recommended to use with a NeoGenesis Serum for maximum effectiveness.

BENEFITS:

- Safe ingredients for all skin types
- May customize by adding NeoGenesis Serum prior to applying the gel

BARRIER RENEWAL CREAM

SIZES: 5mL, 30mL, 120mL

NeoGenesis Barrier Renewal Cream is a lightweight, deeply hydrating and reparative cream that is good for all skin types, including acneic and barrier impaired skin. It is an unscented and non-greasy formula that may be used on dry, sensitive or irritated skin. Skin is naturally renewed and repaired through daily use.

They are the first serums to utilize S²RM® technology, our patented exosome-based system that delivers multiple adult stem cell released molecules to hair follicles to produce noticeable cosmetic benefits. This potent combination of growth factors and other signaling molecules offers a non-invasive alternative, or complement, to conventional treatments to make your lashes and brows look and feel healthy and strong in as little as six to eight weeks.

BENEFITS:

- Helps to restore the healthy condition of lashes and brows
- Helps restore natural hair color
- Safe to use on both upper and lower lashes
- Will not darken eyelids or change iris pigmentation

WHAT PEOPLE ARE SAYING

As a successful beauty model for nearly 40 years, I have used the top skin care lines from around the world, and nothing compares to the results I have seen with NeoGenesis products. I feel like NeoGenesis is turning back the hands of time... or at least slowing the pace... and I love it!" - CR

I used another "stem cell" product for a couple of years prior to using NeoGenesis. All I can say is, WOW! What a difference in your products! The combination of Recovery, the Skin Serum, and Intensive Moisturizer have been fantastic in taking my skin to that next level of look and feel... much softer to the touch and a youthful glow that everyone compliments me on." - LV

With the simple use of Recovery, Skin Serum and Intensive Moisturizer, I'm starting to see a significant, nice change in my skin. My skin feels more compact, and the texture is firm and thicker. I'm totally on board with NeoGenesis, and loving the way my skin looks and feels!" ~ LT

HEAL SKIN *naturally*
